ITEF - 2017

"City and Dream"

Istanbul Tanpınar Literature Festival

May 8th - 10th 2017 Professional Meetings Fellowship Program

Open Call

ITEF-Istanbul Tanpınar Literature Festival aims to increase the visibility of Turkish literature abroad, to promote Turkish literature worldwide and to enrich the literary scene in Turkey by extending horizons and creating new dialogues. With these aims in mind, the festival established the ITEF Fellowship Program in 2011.

ITEF is a unique meeting point in Istanbul for writers, publishers, agents, translators, journalists, literary fund managers, festival coordinators and all of those passionate about world literature. The program allows a limited number of literary professionals from around the world to meet with Turkish counterparts in their field, to share best practice and ideas and spark new projects and literary exchanges.

What to expect?

ITEF - 2017 Professional Meetings Fellowship Program offers a 3 day program of group visits to foremost Turkish publishing houses and many social occasions for networking.

The program will be held on May 8th - 10th 2017 in Istanbul.

Fellows' accommodation expenses for 4 nights (May 7th - 11th) during the program will be covered by ITEF.

Participants are expected to make their own travel arrangements.

The deadline for applications is March 15th 2017.
