

Dear Publisher,

We invite you to apply for the 3rd Istanbul Fellowship Program, which is scheduled to take place on 9 – 11 March 2018 in Istanbul.

The first fellowship program that took place in 2016 with 14 fellows from 9 different countries was followed by a second program in March 2017 that attracted 30 fellows from 21 countries. The 3-day program which is organized by Turkish Press and Publishers Copyright & Licensing Society (TBYM) provides international participants with an opportunity to meet Turkish publishers, to get a glimpse of the Turkish book market, and to buy and sell copyrights.

Online applications for the 3rd International Istanbul Fellowship Program are open between 1st November and 31st December 2017. After the evaluation of the applications to the program in January 2018 realized by the Board of Evaluation of Turkish Press and Publishers Copyright & Licensing Society, travel expenses and accommodation of successful applicants will be covered during the 3-day program. The program will also be open to participation of the applicants that were not selected, provided they cover their travel and accommodation costs.

All meetings during the program will be scheduled through our website. The information on the program agenda and activities will be available online on the web site, except the details of your individual meetings.
